## KlenS™ - Fabric Pre Wash

# KlenS™ Fabric Wash

KlenS™ Fabric Pre wash comes as a laundry companion. Our all-natural silver 100% nanoparticle-based antibacterial garment wash makes the fabric fresh and hygienic. KlenS™ Fabric Pre wash antimicrobial agent contains nano silver particles that get rid of bacteria by repressing them in warm and humid conditions. KlenS™ fabric wash nano silver antimicrobial finish on textile lasts longer than other antimicrobial finishes and also ensures that there is no side effects on human health.

### Key Highlights
