

## KlenS™ Hand Sanitizers

KlenS™ Sanitizers have been formulated using Natural Silver 100% Nanoparticles adopting traditional Ayurvedic process to manufacture it. KlenS™ sanitizers are H<sub>2</sub>O based preparation and have a broad spectrum of anti-microbial attributes. It mitigates 99.99% germs in less than a minute and is suitable for all skin types. KlenS™ Sanitizer has successfully passed the MIC & MBC (Minimum Inhibitory Concentration and Minimum Bactericidal Concentration) tests.

### Key Highlights of KlenS™ Sanitizers

- 100% Natural Product, free from alcohol, gelatine, harmful chemicals and volatile solvents.
- KlenS™ Sanitizers are skin friendly and dermatological study confirms that Silver Nanoparticles in aqueous phase are safe to use for all age groups.
- KlenS™ Sanitizers even Kills Methicillin-Resistant Staphylococcus Aureus (MRSA).
- The Product has Multi Modal Action and is better compared to Alcohol Based reaction mechanism of dehydration or denaturation.
- It can be applied even on an open wound (it helps to heal).
