

KlenS™ Handwash

KlenS™ Hand Wash is formulated using green Roupya Bhasma (Silver equivalent in liquid form) from herbs, extracts and other inactive ingredients. KlenS™ Hand Wash is UV treated, H₂O based preparation and has a broad spectrum of Anti-Bacterial activity. KlenS™ mitigates 99.99% of bacteria less than a minute and gives a good cleansing effect, leaving the hands free from oil, grease and unpleasant odour. KlenS™ is free from alcohol, phenolic compounds, phosphate, chlorine, ammonia, parabens and EDTA. No dyes or harmful artificial colours are added to it.
