

Simple Green Clean Building® Bathroom Cleaner

Simple Green® Clean Building™ Bathroom Cleaner Concentrate removes mineral based soils, soap scum and hard water stains typically found on bathroom surfaces. The cleaner is non-flammable, phosphate-free, and formulated without VOCs that can adversely impact indoor air quality. The concentrated formula dilutes at 1:20 for a great value. It meets the Green Seal®, GS-37 Industrial and Institutional Cleaners standard, featuring reduced health, safety, and environmental impact as well as product efficacy requirements. It satisfies LEED green building requirements, earning points awarded for preferred cleaning and maintenance products, and qualifies for environmentally preferable product purchasing programs in place throughout federal, state, and municipal governments, and school systems.

- Meets Green Seal™ GS-37 Standard
- Meets LEED building compliant cleaning
- Qualifies for preferred green purchasing programs
