

## Simple Green Clean Building® Carpet Cleaner

The biodegradable carpet cleaner removes dirt and stains from carpet, rugs and upholstery. Will not damage carpet fibers, degrade carpet backings or leave residue behind. It is certified by the Carpet and Rug Institute as being safe for use on carpets in pre-spray and extraction cleaning. The concentrated formula dilutes at 1:21 for great value. It meets the Green Seal™ GS-37 Standard, including reduced health, safety, and environmental impact of formulations as well as product efficacy requirements. It also complies with LEED green building requirements and environmentally preferable product purchasing programs in place throughout federal, state, and municipal governments.

- Meets Green Seal™ Standard
- LEED building compliant
