

Simple Green® Industrial Cleaner & Degreaser

A powerful all-purpose cleaner and degreaser that provides a safer alternative to other cleaners, bleaches & solvents. The trusted formula is non-abrasive and non-caustic, and is recognized by the [U.S. EPA's Safer Choice Program](#) as safer for people and the environment. Designed to be used on washable surfaces, Simple Green can be used to remove heavy dirt, grease, food residue and stains from countertops, sinks, tile, carpet, flooring, upholstery and more. The cost-effective concentrate can be used manually or in cleaning equipment such as such as floor scrubbers, dip tanks, carpet extractors, pressure washers, parts washers, steam extractors and foamers. It easily cut through tough grease, oils, cutting fluids, built-up grime and residue on equipment, engines, machinery, vehicles and manufactured parts making it ideal for a wide range of industries including janitorial, manufacturing, MRO, food processing, mining, automotive, transportation and engineering.

- Industrial strength cleaning, degreasing, and deodorizing
- Concentrated formula
- Versatile formula can be used manually or with equipment
