Potion Face Wash

THE POTION Face Wash

Regular exposure to heat, dust, and pollution makes your skin excessively itchy and clogs skin pores. This leads to pimples and blackheads. The Potion Face Wash formulated by using green Roupya Bhasma (Silver Equivalent in Liquid Nano particles) from herbs, extracts and other inactive ingredients cleanses your skin and fight against bacterial infections.

The face wash has been manufactured by adopting Traditional Ayurvedic processes and is 100% Natural. It is a unisex brand, great for both oily and dry skin and has a deep cleansing effect.

Key Highlights of The Potion

- 100% Natural, dermatologically tested product.
- It is free from Sulphates, Phthalates, Artificial fragrances and chemical colours.
- It helps in removing dirt and many macro particles.
- It cleans the skin properly and maintains pH balance of all skin types (Dry, Oily or Sensitive).
