

Simple Green® Bathroom Cleaner

Simple Green Bathroom Cleaner is specially formulated to effectively remove lime scale, soap scum, and water mineral deposits. The formula is non-abrasive, non-flammable, deodorizes as it cleans and is bleach-free, ammonia-free and phosphate-free.

- Bleach-free cleaner
- Contains no ammonia
- Phosphate-free cleaner

Directions for Use

(Spot test on a hidden area first.)

1. Spray surface or apply with a damp sponge to cover soiled area.
2. Scrub around fixtures with a stiff brush or scrubbing pad to loosen heavy deposit build-up.
3. Immediately rinse thoroughly for shiny, clean results.
4. Repeat if necessary.
5. Wipe fixtures dry with a non-abrasive cloth or towel

DO NOT USE ON MIRRORS, NATURAL MARBLE, TERRAZZO, STONE, WOOD, COLORED GROUT, ENAMELED PARTICLE BOARD, CARPETING, FABRIC, OR WALLPAPER.

If spilled, wipe up and rinse area with water immediately.
