## APPLICATIONS

- Luxury Cars
- Car cabins
- Bus cabins
- All Truck cabins
- Van cabins
- Limousines
- Ambulance Interiors

## DID YOU KNOW

Unlike Alcohol based sanitizer KlenS being Non Alcoholic disinfectant can save you from sudden cabin explosion due to excess cabin heat while parked under a hot sun and can avoid accidents. KlenS car disinfectant disinfects internal air circulation of all vehicles consistently and continuously. KlenS gives long protection on every single use.
